Once this sheet is turned into the dance staff, you are committed to what you checked off and will be required to pay the fee. When you check off your availability, please keep in mind that your ***entire weekend must remain available*** as we will not know what day or time the teams will perform on until 7 days prior to the event. **This form is due January 11 and all fees are due February 10.**

\_\_\_ May 19-21 ::: Leaps! Dance Competition ::: \$38.00

By signing this, you commit to the competitions checked off above.

I \_\_\_\_\_ commit payment and participation for my son or daughter \_\_\_\_\_ in the competitions checked off above. The reason for my signature is because the Elite Stars is required to pay at the time of registration and have been responsible for the dancers that have backed out creating a loss for the program. Dancers MUST be responsible for their competition commitment fees.

Sincerely,  
Elite Stars Dance Staff
